Positions Available: Open

Job Description: The Game Management Staff is an essential part of every athletic event at Roxbury Community College. The responsibilities of the Game Management Staff include, but are not limited to; game clock, scoreboard operation, assembly, and breakdown. Office work is also available.

Job Qualifications: Willingness to work on week nights and weekends during home athletic contests. Those with an interest or advanced knowledge of sports and athletics will receive priority, especially those whom have previous work experience in a sports information office at the high school or collegiate level. High quality communication skills are a plus.
